GUIDELINES FOR PLAY IN THE END-OF-SEASON TOURNAMENTS ~ Copied from NCCDL Newsletter ~ Thankyou Jason!

--Matches shall end as soon as one team achieves an insurmountable score (i.e., 13 points in an NCLC match).

--Quarterfinals matches are to begin promptly at 12:00 noon. Semifinals matches shall begin no later than 5:00 p.m., unless one of the pertinent quarterfinals matches is still in progress. If both teams participating in a semifinals match finish their quarterfinals before 5, they may start early, but only if both teams agree to the early starting time.

--It is not necessary for teams to mail in their winning scoresheets, however it is necessary that winning captains contacts me (Text/Email/Call/see me in person) and give me the scores of their matches and any perfect throws by either team.

--Only players on the "eligible player" lists may play in the tournaments. --"Old" ADO rules for coin tosses/diddling still apply.

--REMEMBER: If a team is short-handed, they are simply short-handed. They do NOT get to list a player for a second time in any set, whether it is for a point or as a blocker. Short-handed teams forfeit singles points, and play short in multi-player games.

--In the event of a tie, a team match (6 players) of 1001 FIDO - will be played to determine the winner of the match (no points – please indicate the winner of the match)

--Board Play will be determined at the event. Captains for each team will meet with Director after Welcome Speech.
