

2011 North Carolina City Dart League (NCCDL)

2012 NCCDL (& NCLC) DIVISIONS SET

The discussion at the state meeting two weekends ago centered heavily, of course, on the division alignments for 2012. In keeping with the recent style of Central/Perimeter divisions in odd-numbered years and East/West divisions in even-numbered years, 2012 will once again be an East/West format. The same 14 teams return for play in the NCCDL with divisions of Port City / Wilmington / Jacksonville / Fuquay-Varina / Capital Area / Raleigh / Durham in the East, and Cary / Chapel Hill / Piedmont / Lake Norman / Charlotte / Pineville / Asheville in the West. Teams will play the six opponents in their division plus two out-of-division matches (selected with least frequently played pairings as the first criterion). The NCLC will play a similar schedule, just with only six teams per division instead of seven (predominantly aligned with the NCCDL schedule).
