Come throw some more darts with city league shooters from Wilmington to Charlotte and lift a glass in remembrance of RDL and Chapel Hill City Team member Craig Cashwell. We might even order memorial Pintos and Cheese from Taco Bell. For more information about the event or if curious about finding hotel accommodations, call, email or send mental imagery to the person what's in charge:

To repay the Pineville men's team for setting up a LOD for us earlier this season, the Chapel Hill men's team is organizing a special darting event for the next City League weekend.

## What and Why Any Questions?

Since so many men's and women's city league teams will be in the Triangle area for matches September 8, we have decided to hold a Luck of the Draw after the matches Saturday And since this is the memorial season for our dart team in the Raleigh Dart League (Craig's Swine Crew) in honor of our teammate and friend Craig Cashwell (member of the Chapel Hill City Team), who died unexpectedly earlier this year, we've decided to name it for him.

The draw will be held at **Arnie's Place** in Durham (the Durham team home bar) about 8ish or when everyone who wants to play gets there from the matches in Cary, Raleigh and Chapel Hill. In addition, any adventurous souls who want to come early, stay late or both, there are the usual LODs at the Upper Deck in Cary on Friday and Sunday nights. We also can arrange motel accommodations for anyone who wants..
